~~DARK ARMY~~  
DEATH DAY 3/27/23

To day is the day,  
The day has finally come!

I can't believe its here,  
Don't know how I was able to get this far,  
but here I am.

I'm a little nervous, but excited too,  
Been excited for the past 2 weeks.

There were several times I could have been  
caught, especially back in the summer of 2021.

None of that matters now. I'm almost an  
hour & 7 minutes away.

Can't believe Im doing this,  
but Im ready...

I hope my victims aren't.

My only fear is if anything goes wrong,  
I'll do my best to prevent ~~any~~ of the sort,  
(God let my wrath take over my anxiety)  
It might be 10 minute stops. It might be  
3-7. Its gonna go quick.

I hope I have a high death count.

Ready to die nuna *Arden*

① Later schedule

# DEATH DAY
